

DOGS/DOMESTIC PETS WELCOME AT CORRIMAL BEACH TOURIST PARK
Acceptance is subject to conditional pre-approval and at Park Manager's final discretion.

To ensure the comfort and safety of all guests at Corrimal Beach Tourist Park, we have developed **guidelines and rules for caravan and camping site guests travelling with a dog/domestic pet**. The full terms and conditions are outlined on the reverse side of this **Dog/Domestic Pet Owner Agreement**. It is a balanced approach and generally meets both the dog/domestic pet-owning and non-dog/domestic pet-owning community's needs. It requires that dog/domestic pet owners are responsible, both legally and socially, for their dog/domestic pet whilst within our park.

Corrimal Beach Tourist Park has **allocated a limited number of caravan and camping sites** for guests and their dog/domestic pet **during the off season ONLY** (as defined by the Fees and Charges Schedule).. It is important to note that dogs/domestic pets are not permitted in cabins or in ensuite caravan and camping sites, unless they are a certified assistance/service dog.

Furthermore, Wollongong City Council has adopted a three tier Dogs on Beaches and Parks access policy, and published a brochure that provides a guide to access along our coast to the dog-owning community. For a copy of the brochure please see: [Dog Beaches and Parks | Wollongong City Council \(nsw.gov.au\)](https://www.wollongong.nsw.gov.au/dog-beaches-and-parks) or request a copy from reception. The green areas are off leash, the orange areas are time share access areas, and the red areas are dog prohibited areas.

Perfect for the needs of dogs and dog owners, Corrimal Beach Tourist Park is near the **East Corrimal Beach green off leash areas**, (from Murray Road north to Bellambi Beach boat ramp and rock pool)

Corrimal Beach Tourist Park is also near the **orange time sharing area at Corrimal Beach**. The orange area allows dogs on beaches **on-leash only and only within certain times** (i.e., in summer before 9.00 am and after 6pm and in winter before 9.00 am and after 4.00 pm).

To book your stay with your dog/domestic pet, please contact Corrimal Beach Tourist Park directly on 02 4285 5688. Pre-approval by the park is required, so bookings of this nature made online are not acceptable. Acceptance of a booking is at the discretion of the delegated authority staff member, and the delegated authority staff member reserves the right to withdraw approval when a booking is considered not to be in the best interests of the park and other park patrons.

To complete your booking, the attached dog/domestic pet Owner Agreement must be read, understood, and signed by guest travelling with dog/domestic pet. Guests must forward the signed Agreement to the Park prior to arrival and will be asked to acknowledge the Agreement on arrival to the park. Entry to the Park is conditional upon acceptance and adherence to the terms and conditions of the dog/domestic pet Owner Agreement.

Dog/domestic pet owners must carry a bag suitable for dog/pet's faeces and must remove and place dog/pet faeces in the bag, which is then sealed and disposed of in the designated rubbish bins.
- h) Dog/domestic pet owners must be able to control their dog/pet by voice command or other means.
- i) Dog/domestic pet owners are personally liable for all injuries or damage to person or property, or losses in relation to any actions by or as a result of their dog/domestic pet.
- j) Dog/domestic pet owners agree that the Park Manager reserves the right to evict any guests with a dog/domestic pet that is noisy, disruptive, aggressive, or the subject of complaints from other guests.
- k) Dog/domestic pet owners agree that they will be charged for costs associated with cleaning and/or repair of property, following any act or omission by dog/domestic pet and/or their owner.

I have read, understood, and agree to accept and adhere to the terms and conditions of this agreement. Moreover, I agree to indemnify Wollongong City Council, its employees, and affiliates, from liability for all injury or damage to person or property, or financial loss suffered because of any act or omission by dog/domestic pet and/or me as owner.
